Dear Parents and Dancers:

Attached is the 2015 Summer Schedule of Classes. It is a five week program from June 29 to July 31, 2015. Ballet, jazz, tap, hip hop, lyrical, contemporary, and creative dance are offered for beginners and experienced dancers. We also offer pilates, turn techniques and tricks and turns. Don't miss the pilates, tap and ballet classes we have offered for adults.

Dance camps are offered during the summer. There are four one week theme camps designed for dancers 5 - 15 years of age. The sessions are four days with a performance on the last day.

During the summer, tuition can be paid in full or per class. Students who are currently enrolled in classes receive a 10% discount if they pay the tuition in full prior to Monday, June 22, 2015.

Summer is a good time to try a new style of dance and really work hard on improving flexibility and technique. Many students decide to take the summer off. Summer vacations and other activities are important. However, if you are an intermediate or advanced student, and you decide to take the summer off, you might not be in the same class level in the fall. In the past, I have had students be disappointed because their classmates came during the summer and really progressed. When the dancer returned to classes in September, they were very surprised how far behind they were. Don't be left behind. Keep up on your technique and flexibility by taking at least one class per week during the summer!

In August, we offer special Master Classes August 10 - September 3, 2015. We will also have a week of intense classes prior to Doizé Dream Team tryouts for dancers interested in trying out for the competition team. this is a good opportunity to keep your technique strong while the studio is closed.
